

Student Application
Undergraduate Research Opportunity in Entomology (UROE)
For January through July 2019*

***Primary Major:** ENTO FIVS Other: _____ Double Major: ENTO: Yes No

**Please understand that funding is limited to a primary major within the College of Agriculture and Life Sciences.*

Student Name: _____ Gender: Male Female
Last name First Name

TAMU Email Address: _____ Student UIN: _____

Best Telephone Number: (____) _____ Mobile: Yes No

Local Address: _____
Address City ST Zip

Expected Graduation Term: _____ GPR: _____ Overall Earned Credits: _____

About Your Proposed Project (cannot exceed \$1000 total, travel & supplies/materials)

Project Title: _____

Faculty Mentor First & Last Name(s) _____

Requested Expenses (max \$500): _____

Request Travel (max \$500): _____

Have you worked on a previous UROE? Yes No

Have you previously worked on paid or unpaid research with this Faculty Mentor? Yes No

Special Features of Your Project

Check all of the following that are applicable to your proposal.

1. Does your proposed project use non-human vertebrate animals of any kind? Yes No
 - a. IF yes, please provide a **copy** of the approved Animal Use Protocol (AUP)
2. Does your proposed project use human subjects (including interviews, observation, questionnaires etc.)?
 Yes No
 - a. IF yes, please provide a **copy** of the approved Institutional Review Board Proposal (IRB).
3. Does your proposed project use recombinant DNA, biological toxins or infectious agents? Yes No
4. Does your proposed project use ionizing radiation; highly toxic, flammable or reactive chemicals, biologically hazardous (viable) agents or potent human or animal carcinogens? Yes No
5. Does your proposed project include research or travel outside the United States? Yes No If yes where and when? _____
6. Will you be registered for a directed research/directed study class at the same time you will be working on your UROE project? _____

All travel receipts must be turned in and supplies purchased **before August 1, 2019.*

1) Please provide an itemized description of your anticipated expenses. Explain why UROE funding for each item is essential for the successful completion of your project.

RESEARCH:

- a) Provide a 1-page description of your proposed research.
 - i) What particular knowledge or past experiences (including courses) do you have that will help you successfully complete your proposed projects?
 - ii) What is your specific plan to interact with your Faculty Mentor (for examples, regular face-to-face meetings, email, collaborate with post-docs, graduate or undergraduate students, group meetings, etc.)?
 - iii) ENTO 491, Directed studies expects 3 hrs. per week credit in the lab and 3 hr. work outside of the lab per week. What is your plan on how you will allocate that time to various tasks (for example, literature search, data collection, data analysis, reporting, etc.)? Outlines by week how you will spend your hours on the project for the semester.

TRAVEL:

- b) Complete only if you are attending a scientific conference AND making a presentation.
 - i) Name of Conference.
 - ii) Dates of Conference.
 - iii) Type of presentation (oral, poster)

Start Date: _____

End Date: _____

Total Expenses \$ _____ **max \$1000 (Travel & Supplies/materials)**
