**Re-Enrollment**

The re-enrollment process of Veterans from the Admissions Processing perspective is as follows:

1. Veterans who express interest in re-enrollment to any office on campus should be directed to Veterans Services Office in the Department of Student Financial Aid.
2. The Veterans Services Office will provide the applicant with a Veteran Re-enrollment Form (VRF), and request official documents for verification:
   - Notification of orders
   - DD214
3. The Veterans Services Office will authenticate documents and forward a copy to Admissions Processing.
   - The VRF must be stamped and signed by an administrator in Veterans Services.
4. Admissions Processing will date stamp the received documents, process the application within 24 hours, and image all documents.
   - Provided the VRF and all submitted documentation are complete and accurate, an automatic re-admission status in SIMS should be instantaneous.
   - If so, Admissions Processing will send an email notification to Debbie Hermann and Lewis Baker advising of the admission status.

*(If an issue arises regarding information on the VRF, Admissions Processing will notify Lewis Baker, and receive resolution before processing is finalized.)*

**Registration**

Below are the registration guidelines based on the time when you return to Texas A&M.

**Before the Pre-Registration Period**

1. Check your NEO email account for registration date.
2. Certain majors may be required to see an advisor before registering.
3. If no advising is required, register for classes as normal on the dates assigned.

**If No Registration Date is Assigned**

1. Contact the Registration Section in the Registrar's Office to get your assigned registration date and time.

One reminder for returning veterans who took incomplete grades, you must NOT register for those courses again or the incomplete grade converts to F. You need to be aware of this when you register. If you register for 12 hours and have 13 hours of incompletes, you must complete 25 hours.
